

DEPARTMENT 88

5- 8 YEAR OLDS

Superintendent- Peter McClelland (810) 650-6425

Exhibitors in the 5- 8 Year Old Project Area will be judged according to their 4-H age. Entries must be identified by name, age, town, and club. This information may be printed on the exhibit or use the tags available at the 4-H Office.

GENERAL INFORMATION

1. Age is determined as of January 1 of the current year.
2. Participation ribbons are provided for all age 5- 8 year old project work.
3. Premiums are not given for 5- 8 year old classes.
4. It is not appropriate for children below 9 years of age to participate in contests where they are judged. Judging involves giving rankings. The greatest concern below age nine is providing experiences, enhancing learning, and not fostering competition.
5. All projects mounted on poster board must be on a 14" x 22" poster board.
6. Natural Resources:
 - 5 year old- poster
 - 6 year old- coloring book
 - 7 year old- collection, photographs or poster
 - 8 year old- Journal or special project relating to a particular natural resource, i.e. field trip to a recycling center.
7. All eight year olds exhibiting a project must have SECURELY ATTACHED 3" x 5" card with a description of the project entered only if you can not be there.

5- 8 YEAR OLD SKILLS FOR LIFE

Saturday, August 20, 2011, 1:00- 4:00 p.m.

The Skills For Life Series, distributed by 4-H Cooperative Curriculum System and endorsed by Michigan State University come in sets of 3 or 4 activity guides to encourage the development of life skills for youth age 5- 19, along with a leader guide.

The guides are available at the Extension Office for \$2.00 per guide. A 4-Her does not have to be enrolled in an additional project to participate in this project. Several projects are available in these activity guides; examples include posters, papers, computer projects, educational displays, etc.

4-Her’s are to bring the project book to the Fair so the judge can examine it. Each activity guide can be taken for 2 or 3 years. Please see the requirements for completion listed with each class.

SECTION 365
JUNIOR MASTER GARDNERERS

4-H Cloverbud Members (ages 5 to 8) – Many county 4-H programs offer programs for children aged 5 to 8. Like 4-H activities for older youth, 4-H Cloverbud programs are designed to be safe, age appropriate, educational, and fun. A key difference, however, are those 4-H Cloverbud activities having a noncompetitive focus. Effective programming with this age group is activity-based, cooperative, fun, experiential and Age-appropriate activities in all 4-H project areas including but not limited to animal experiences with direct one-on one adult assistance; low-risk community service activities with adult supervision; noncompetitive shows and exhibitions. 4-H Cloverbuds may not participate in competitive classes, sales, treaties and auctions at 4-H events.
